

2024 Hanse 418

Experience the thrill of fast and effortless sailing with the HANSE 418. Its elegant design exudes style, with a forward cabin design for comfort and relaxation. With a perfectly harmonized lateral plan and a pre-balanced rudder blade, you can expect exceptional speed and safety while sailing. Reefing, tacking, and setting sail can all be easily done from the helm, allowing for a seamless sailing experience. Designed to meet more demanding expectations, this yacht will make you feel right at home on the water. The deck is thoughtfully designed to provide the utmost comfort and space.
